SofStrip

A New Standard in Cleaning

SofStrip gets the job done, quickly and safely. This Water Soluble Blast Media is effective, economical, and environmentally safe for most cleaning, paint removal, and de-greasing jobs.

- Easy to use and easy to dispose of
- Environmentally safe
- Two water repellent flow aids
- Contains no hard abrasives
- Cleans, depaints, and de-greases in one step
- Can be used in all pneumatic, high and ultra-high water blasting systems
- Will not damage glass, chrome, aluminum, or other sensitive substrates
- Safe for rotating equipment
- Non-toxic
- Non-irritating
- Non-sparking

Improve your productivity, reduce your costs, and increase your profits.
